

SESSION **4**

# Jesus tells stories

**MEETING AIM**

To allow the children to explore the depths of Father God's forgiveness.

**BIBLE PASSAGE**

Luke 15:11-32

**BACKGROUND**

Father God's forgiveness, grace and favour often feels unfair, especially when it's directed at someone we know isn't worthy of receiving it! This session aims to give children the chance to explore their responses towards God and, in the light of his mercy, towards others too.

**+ CIRCLE TIME**

As the children arrive, sit everyone down in a circle. Share any refreshments that you have brought. Ask the children if they have done anything this week that they'd like tell the group. Share something that you have done this week too. Ask the children to rate their week. Would they give it ten out of ten? Or less? Why?

**+ WELCOME HOME PARTY!**

**You will need:** at least one balloon per child; a banner with 'Welcome Home' across the room; party music; small prizes

Throw a party with dancing (have prizes for the best moves) and a party game. Explain that today we are going to be looking at a welcome home party in a story told by Jesus. What's it like to have a party? What do the children enjoy about them?

**+ BIBLE STORY**

**You will need:** numbered envelopes; paper; pens

Before the session, write out the scenes below onto pieces of paper and put each scene into the correct number envelope. Hide these envelopes around your space. If you can, use the whole building or an outside space. If space is limited, hide the envelopes around the room.

Divide the children into small teams and give them paper and pens. They must

find the envelopes and draw a picture for each scene, leaving the envelopes in place for the next team. It doesn't matter which order they find them in. When they have finished, they can put it all together and retell the story. Each team that puts it all in the correct order and retells the story wins a prize.

Scene 1: *Jesus told this story to his followers.*

Scene 2: *There was a father with two sons. The younger son wanted his share of the wealth before it was the right time and his father gave it to him. The younger son collected all his belongings and went on a journey. He was so chuffed! He had a whole life to live!*

Scene 3: *The younger son travelled far away to another country and made some bad choices - partying, drinking and getting into all sorts of trouble. He wasted all the money his father had given him.*

Scene 4: *It wasn't long before there was a drought and people didn't have enough food to eat. The younger son had no money left and was very hungry. He found a job on a pig farm. He was so hungry that he ate the pigs' food!*

Scene 5: *The younger son realised he'd been very stupid. He thought about home and all his father's servants. Even the servants were living a better life than him; they didn't have to eat pig food! He decided to return home and ask if he could be a servant. He knew he didn't deserve to be a son any more. He packed up his belongings and made the journey home.*

Scene 6: *Father had never stopped looking out for his son. He missed him so much. He saw him coming from a mile away and began to run. His son was home! Joy filled his heart! He reached him, hugging and kissing him. The son tried to explain that he couldn't be his son any more. He knew he'd made some bad choices.*

Scene 7: *Father wouldn't hear a word of it! He called his servants to bring out the best clothes and make the best food for a feast. His much-loved son had returned and it was time to celebrate! He thought he was dead, but he is alive!*

Scene 8: *The older son heard all this commotion from his work in the field. He wondered what was going on. When he heard that his brother had returned and his father had thrown a welcome home party, he was outraged! He refused to join in. It wasn't fair! He'd been working hard all this time and his father had never thrown a party for him!*

Scene 9: *Father was so happy his son had come home. His older son was always working with him, but the younger one had been lost and now he was found. He was back in the family again and they couldn't help but celebrate.*

**+ CHATTING TOGETHER**

Ask the group these questions, making sure everyone has the chance to contribute:

- Why do you think Jesus told this story?
- Do you think any of these characters are like you?
- Why do you think the older brother was so upset?
- I wonder how the younger brother felt when he returned to such an amazing welcome?
- What does this story tell us about God?

**+ CREATIVE RESPONSE**

**You will need:** balloons from 'Welcome home party'; marker pens

Bat the balloons around the room for one minute and then ask everyone to hold onto one. Draw a face (emoji) on the balloon which best describes their own response to this story. Invite the children to share with the group why they have drawn this.

**+ PRAYER**

**You will need:** teaspoon per child

As you draw together to pray, give each child a teaspoon and invite them to pray aloud or silently, in response to the story, in the following ways. T: Thank-you prayers (what can we thank God for, from this story), S: Sorry prayers (when do we not resist temptation, as Jesus did), P: Please prayers (asking God to help us stand firm, when we face temptation in the week ahead). Draw the time of prayer to a close, praying for your group and offering to talk to and pray with anyone individually, for any particularly testing situations they may be currently facing.
